To Whom It May Concern:

I take great pleasure in offering this letter of recommendation for Mr. Bill Skidmore. Mr. Skidmore has, for the past fifteen years, owned and operated Family Treasures Jewelers. During that time, Mr. Skidmore has conducted himself with the highest level of integrity, demonstrated consistent professionalism and developed a reputation of honesty throughout our community.

Mr. Skidmore's involvement in our City is well known. Regardless of the nature of the event, you can always count on Bill to be an active sponsor and participant. I can only imagine the amount of money he has doled out over the years to promote some civic function in Cuyahoga Falls.

Lastly, Bill Skidmore is always on the forefront in raising money for charitable causes. He is very generous with this time and money to promote the various causes in which he believes.

I deem it an honor and a privilege to offer my support to one of our leading citizens and business owners, Mr. Bill Skidmore.

Sincerely,

Don L. Robart
Mayor
